**Permission to post name and contact information on the NHTSA web-site:**

Safe Kids Worldwide maintains a listing of CPS technicians and instructors for the National Highway Traffic Safety Administration (NHTSA). This information is publicly available on the NHTSA web-site (www.nhtsa.dot.gov) or other sites sanctioned by the National Child Passenger Safety Board. Please indicate by checking below whether you agree to your information being made available to the general public through these web sites. Note that if you do not agree, your information can be accessed by you, NHTSA regional representatives, state CPS coordinators, and other administrators authorized by Safe Kids Worldwide.

- I agree to allow the above information to be made publicly available by NHTSA on the Internet and understand that this information may be accessed by anyone using the Internet
- I do not give permission for this information to be made publicly available by NHTSA on the Internet, but understand that certain information will be available to the other parties listed above.

**I understand that Child Passenger Safety Technician status is an entry-level qualification. To become proficient and to successfully re-certify I must meet all the following requirements:**

1. Must check 5 safety seats verified by an instructor at safety events.
2. Community event (one check-up or community workshop)
3. Continuing education technical information (6 hours)

*Applicants are strongly encouraged to attend/observe a car seat checkup event or shadow a certified technician before attending the training. It is best to see what is involved and determine if you have the interest/passion to be a certified car seat technician. Please do not apply if you do not intend to utilize your certification and help educate families/caregivers.*

*Certification is a 2-year term and certified technicians must meet the above listed requirements to re-certify. \* Must be 18 to participate \* Classes fill up quickly and many classes have a waiting list. \* Applying does not guarantee a place in class. \* No refunds! \* Please request an invoice. \* Credit Cards/Debit cards NOT accepted \* If applicant cannot attend one participant substitution is allowed up to 10 days before class begins. \*Out of state residents will be charged \$600.00.*

Registration Fee: **\$300**

Make Checks Payable to: **Children's Hospital of Wisconsin  
Community Services

Suite 120  
Milwaukee, WI 53214**

**Attn: Jane Howard**

*Participants will receive a Technician Guide/manual on the first day of class. An additional resource that we recommend is the Latch/tether manual. Ask your organization or fitting station if a LATCH/tether manual is available for your use. If not, or if you are the first in your organization to be a certified, we recommend pre-ordering a LATCH manual for delivery on the first day of class. A LATCH manual (\$34) MUST be pre-ordered, because extras copies are not available at class.*

\_\_\_\_\_ please add the Latch/tether manual fee to my invoice. \_\_\_\_\_ I have included the amount to total due = \$334.00
